NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that an ANNUAL GENERAL MEETING of Invu plc (the “**Company**”) will be held at the offices of the Company at Invu, Blisworth Hill Farm, Stoke Road, Blisworth, Northampton, NN7 3DB on Friday 30 July 2021 at 9.00 a.m., for the purposes of considering, and if thought fit, passing the following resolutions, of which resolutions 1 to 5 (inclusive) will be proposed as ordinary resolutions and resolution 6 will be proposed as special resolution.

ORDINARY RESOLUTIONS

1. THAT the strategic report, the directors' report and the audited accounts of the Company for the year ended 31 January 2021 be received and adopted.

Note: The annual accounts, including the above reports, are made available on the Company's website www.invu.net when this notice is posted.

2. THAT Ian Smith be re-elected as a director of the Company.

Note: Article 90 of the Company's articles of association requires that at each annual general meeting one-third of the directors who are subject to retirement by rotation retire from office and may offer themselves for re-election. Pursuant to Article 91 Ian Smith stands for re-election at this meeting.

3. THAT the re-appointment of Hawsons Chartered Accountants as auditors of the Company to hold office from the conclusion of this meeting until the conclusion of the next general meeting at which accounts are laid before the members be and is approved.

4. THAT the directors of the Company be and are authorised to agree the remuneration of the auditors' of the Company.

Note: As the auditor may not continue in office unless re-appointed at the meeting at which the accounts are presented, Resolution 3 proposes the re-appointment of Hawsons Chartered Accountants as auditors until the conclusion of the next annual general meeting of the Company. Resolution 4 also authorises the Directors to agree and pay the level of remuneration of the auditors.

5. THAT in addition to any authorities previously conferred on the directors for the purposes of section 551 of the Act, the directors be and are generally and unconditionally authorised for the purposes of section 551 of the Act to exercise all the powers of the Company to allot shares in the Company and grant rights to subscribe for or to convert any security into shares of the Company (such shares and rights to subscribe for or to convert any security into shares of Company being “**Relevant Securities**”):

- (i) up to an aggregate nominal amount of £44,188 in respect of ordinary shares of £0.001 each in the capital of the Company (“**Ordinary Shares**”) and up to an aggregate nominal amount of £76,250 in respect of A ordinary shares of £0.001 each in the capital of the Company (“**A Ordinary Shares**”) to be issued pursuant to the company's share option plan; and
- (ii) up to an aggregate nominal amount of £58,917 in respect of Ordinary Shares and up to an aggregate nominal amount of £101,667 in respect of A Ordinary Shares to be issued for general requirements that may arise from time to time,

such authority to expire on the earlier to occur of the conclusion of the Company's next annual general meeting or 30 October 2022, provided that, before such expiry the Company may make any offer or agreement which would or might require Relevant Securities to be allotted after such expiry and, notwithstanding such expiry, the directors may allot Relevant Securities in pursuance of any such offer or agreement.

Note: By law, shareholders' approval is required for the allotment of shares. Approval may either be given for particular allotments or by a general authority. Resolution 5 seeks to renew the Directors' general authority for a period expiring on the date of the next annual general meeting or on 30 October 2022 whichever is earlier. In proposing this resolution, the Directors consider that it is in the best interests of the Company and its shareholders that Directors should retain the ability to incentivise the management and staff of the business utilising the share option plan and take advantage of business opportunities as they arise, without the need to incur the cost and delay of a general meeting of the Company to seek specific authority for an allotment. The Directors intend to seek annual renewal of this authority in accordance with best practice. The Directors have no present intention of using the above allotment authority identified for general purposes. The directors intend to maintain a share option pool representing 25 per cent of the nominal value of the issued Ordinary Shares and the issued A Ordinary Shares. Accordingly the resolution sets out approval for an aggregate nominal amount of £44,188 over the Ordinary Shares of which an aggregate nominal amount of £36,834.29 has already been granted as options and therefore an aggregate nominal amount of £7,353.71 remains available to be granted as options. Similarly the resolution sets out approval for an aggregate nominal amount of £76,250 over the A Ordinary Shares of which an aggregate nominal amount of £67,607.11 has already been granted as options and therefore an aggregate nominal amount of £8,642.89 remains available to be granted as options.

SPECIAL RESOLUTIONS

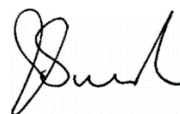

6. THAT, in accordance with section 570(1) of the Act and conditional on the passing of resolution 5, the directors be and are given power to allot equity securities (within the meaning of section 560(1) of the Act) of the Company for cash pursuant to the general authority conferred on them by resolution 5 above, as if section 561(1) of the Act did not apply to such allotment provided that this power shall be limited to the allotment of Ordinary Shares up to an aggregate nominal amount of £26,513, such power to expire at the same time as the general authority conferred on the directors by resolution 6 above expires, provided that before the expiry of this power, the Company may make any offer or agreement which would or might require equity securities to be allotted after such expiry, and notwithstanding such expiry, the directors may allot equity securities in pursuance any such offer or agreement.

Note: Shareholders' approval is required for the issue of equity shares otherwise than in accordance with the statutory pre-emption provisions contained in the Act. Approval is being sought in respect of the allotment of shares of up to £26,513 in nominal amount equal to approximately 15 per cent. of the nominal value of the issued Ordinary Shares (2020: 15 per cent.). In proposing this Resolution, the Directors consider that it is in the best interests of the Company and its shareholders that Directors should retain the ability to take advantage of business opportunities as they arise, without the need to incur the cost and delay of a general meeting of the Company to seek specific authority for an allotment. The Directors have no present intention of using the authority granted by this resolution but propose to seek renewal of this authority annually.
